Re: Amadasu v. Mercy Franciscan Hospital, et al.

Dear Mr. Amadasu:

I join in the request from Dr. Berry's counsel requesting that you supplement your responses to prior written discovery requests served upon you on behalf of all Defendants. I note that Ms. Mitchell also provided you with new authorizations for the release of various medical, employment and financial information--- I urge you to execute the authorizations and return them to Ms. Mitchell in a timely manner, thereby allowing both Defendants to make use of the authorizations to obtain the records needed to defend this action.

Finally, I join in Ms. Mitchell's request for potential dates on which we can complete your deposition.

Thank you for your prompt attention and response to these discovery issues.

Sincerely,

KOHNEN & PATTON LLP
